

Colitiscop is a perfect way for Crohns and colitis patients to share with others the daily challenges of living with inflammatory bowel disease. This is a must-read for every IBD patient and their supporters. More of an adventure story than an encyclopedia, this resource for Crohn's and colitis patients weaves humor with introspection and information with observation. Written by a sufferer of inflammatory bowel disease (IBD), the guide shares common tales and insights while also covering symptoms, medications, and procedures, from a uniquely entertaining viewpoint. Humor and frankness are used as a coping method, helping to illustrate and conquer common difficulties brought on by the chronic illness.
