

Over the last seven years, the Digital Art Masters series has brought together over three hundred examples of the worlds best 2D and 3D digital art. Digital Art Masters: Volume 7 continues this tradition by ushering in a new group of talented artists whose images are sure to inspire and astound in equal measure. But this book doesn't just showcase beautiful art; it also offers up details of the creation process behind each image, penned by the artists themselves, presenting a unique opportunity for readers to follow in the footsteps of the masters. Covering topics ranging from fantasy and characters to scenes and cartoons, Digital Art Masters: Volume 7 is sure to get those creative juices flowing.
