

This collection of 30 hand-selected, original photographs contains some of the favorite pictures from the archives of one of America's most prolific and widely published travel journalists of the last 30 years. Steve Cohen is an award-winning photographer, travel writer and author of dozens of books and travel guides. His work has appeared in virtually every major North American newspaper and travel magazine in print and online, as well as many publications overseas. He's reported from and photographed all of the United States and more than 75 countries. This book contains photos he loves. They cover no single topic, nor destination. They're from all over the place. It's part of a series of short photo eBooks meant to take you on a personal journey of possibilities. The specifics are up to you. There's so much to see. It's out there waiting for you to discover. All you need to do is look to see your own dreams.
