

Lynda Bellingham died in her husband Michaels arms on 19th October 2014. Lynda touched many lives in her memoir, Theres Something Ive Been Dying to Tell You, and in My Lynda, Michael tells his side of the story. He talks movingly about their ten years together and describes how, in the past year, he has struggled to cope. He shares candidly his experience of grief, offering hope and support to others who have lost partners and loved ones. His is a book to comfort those who loved Lynda, to tell the missing pieces of their life together, to write about how they both confronted the news of her illness, and how he managed to continue since that moment of hearing that she had a terminal illness.
