

Portable and high yield, Ophthalmology Secrets in Color is perfect for use in clerkships, for exam prep, or as a handy clinical reference. From basic science to problems of the aging eye, it covers everything you need to stay abreast of the latest in this broad specialty. A bestselling volume in the popular Secret Series®®, its Q&A format, helpful lists and tables, and informal tone combine to make reference fast, easy, and enjoyable. This is a quality book that multiple audiences may find helpful. The question-and-answer presentation, along with the easy-to-read, high-yield format make for an enjoyable read that benefits students, residents, and clinicians alike. - Nathan V Harms, M.D. (University of Nebraska College of Medicine)A question-and-answer format, bulleted lists, mnemonics, and practical tips from the authors expedite reference and review. Two-color page layout, Key Points boxes, and lists of useful websites enhance your reference power. Top 100 Secrets section combines the top 100, high-yield facts into one chapter, providing a concise overview of the latest issues in ophthalmology. High-yield content is ideal for exam preparation. Key clinical images are presented in full-color. Portable size is designed to fit perfectly into a lab coat pocket. Updated chapters reflect the latest advances in ophthalmology. Expert Consult eBook version included with purchase. This enhanced eBook experience gives access to the text, figures, and references on a variety of devices.
