

... takes a new look at the situation in one of the hottest spots on the globe and asks what impact the politicization of women will have on the lives of people in the emerging Palestinian state. -- NWSA Journal This volume introduces the reader to the social and political roles and challenges faced by women of Arab/Palestinian society. Even Arabic commentators have failed to accurately assess the contributions of women within the struggles of Gaza and the West Bank. These essays, written from an insiders perspective, show how Palestinian women confront issues of gender, feminism, and the national agenda.
