

As the twentieth century draws to a close, it appears that its at long last okay - even cool - to be gay. Kevin DiLallo and Jack Krumholtz say its about time. Just at this historical turning point comes The Unofficial Gay Manual, a wild and witty guide to the tribal customs of the red-blooded American gay male. With essays, multiple-choice and true-false tests, lists, sidebars, and charts, the Manual explains it all for you with items that are as informative and enlightening as they are laugh-out-loud funny. Profusely illustrated with photos and drawings, The Unofficial Gay Manual is hip enough to titillate the most jaded urbanite, and wholesome enough to take home to Mom - an absolute must-have for gay men, their families and friends, and a hilarious eye-opener for just about everyone else.
